

DESCRIPTION: **SK-103** is a light-blue, powdered floor product. This product can be used on a wide variety of floors. **SK-103** should be used with wetted floors for use. Rates will vary. **SK-103** is not flammable.

SK-103 is a floor cleaner: this product may be used in food processing plants.

DANGER: Keep out of reach of children. Avoid getting in eyes or on skin. In case of contact, flush thoroughly with water. If irritation persists, see a doctor. If inhaled, remove to fresh air. Immediately call a poison center or doctor/physician. If ingested, do not induce vomiting. Drink 1 or 2 glasses of water. Immediately call a poison center or doctor/physician. Never give anything by mouth to an unconscious person.

STATEMENT OF PRACTICAL TREATMENT: Wash face, hands and any exposed skin thoroughly after handling. In case of contact in eyes, rinse with water for several minutes, continue rinsing and immediately call a poison center or doctor/physician. If on skin, wash with plenty of soap and water. Take off contaminated clothing and wash it before reuse
