

**DESCRIPTION:** SK-104 is a light-blue, powdered floor product. This product can be used on a wide variety of floors. SK-104 should be used to aid in traction on floors. Rates will vary. SK-104 is not flammable.

SK-104 is a floor cleaner: this product may be used in food processing plants.

**WARNING:** Keep out of reach of children. Avoid getting in eyes or on skin. In case of contact, flush thoroughly with water. If irritation persists, see a doctor. If inhaled, remove to fresh air. Immediately call a poison center or doctor/physician. If ingested, do not induce vomiting. Drink 1 or 2 glasses of water. Immediately call a poison center or doctor/physician. Never give anything by mouth to an unconscious person.

**STATEMENT OF PRACTICAL TREATMENT:** Wash face, hands and any exposed skin thoroughly after handling. In case of contact in eyes, rinse with water for several minutes, continue rinsing and immediately call a poison center or doctor/physician. If on skin, wash with plenty of soap and water. Take off contaminated clothing and wash it before reuse
